

SELF-SERVICE LAPTOPS AT NUIM LIBRARY

NUI MAYNOOTH

Ollscoil na hÉireann Má Nuad

In January 2012 the NUIM library launched a new self-service laptop facility. This brings the total number of laptops for borrowing to 44.

28 are borrowed via the desk and 16 via the self-service. This new initiative enables quick and easy access to 16 laptops which are housed in a laptop charging cabinet on the ground floor of the Library.

The Dell Laptops are available to all students. Laptops can be taken from the cabinet during the day and returned after use for recharging. Laptops are strictly for library use only.

You can still
borrow a
laptop

Return me
and
plug me in

NO QUEUES

NO FEES

NO TIME LIMIT

Library
use only

Laptops are easily identified by the NUI Maynooth logo

This service has proved to be very popular with our students and laptops are in constant use. Other libraries might consider this venture as self-service seems to be the way forward.
